In today's competitive job market, it's more important than ever to have a strong personal brand. Your personal brand is how you present yourself to the world, and it can have a major impact on your career success.

If you're an executive, your personal brand is even more important. You're a leader in your field, and your brand can help you attract new clients, build partnerships, and advance your career.

But what does it mean to have a strong personal brand? And how can you create a brand that will help you achieve your career goals?

In this book, you'll learn how to ditch the outdated "dare do" approach to personal branding and create an authentic brand that will help you stand out from the crowd.

You'll learn how to:

- Define your personal brand
- Create a personal brand statement
- Develop a personal brand strategy
- Build a personal brand online
- Measure the success of your personal brand

This book is packed with practical tips and advice that you can use to create a personal brand that will help you achieve your career goals.
