John was born into a seemingly normal family. His parents were both loving and supportive, and he had a happy childhood. But when John was just 10 years old, his father began to abuse him.

At first, the abuse was subtle. His father would make inappropriate comments and touch John in ways that made him uncomfortable. But over time, the abuse escalated. John's father began to rape him on a regular basis.

John was terrified of his father. He didn't know who to turn to for help. He was ashamed of what was happening to him, and he didn't want to get his father in trouble.

Finally, when John was 16 years old, he couldn't take it anymore. He ran away from home and went to the police. His father was arrested and charged with child abuse.
