The Omnibook is divided into three sections: head arrangements, solos, and rhythm section parts. The head arrangements are fully notated and include all of the essential information for playing the melody and chords. The solos are transcribed from Davis's own recordings and provide a detailed look at his improvisational techniques. The rhythm section parts include the bass line, drums, and piano voicings, and provide a solid foundation for playing the music.

The Omnibook is a valuable resource for both students and professional musicians. Students can use the Omnibook to learn the basics of jazz improvisation and to develop their own personal style. Professional musicians can use the Omnibook to expand their repertoire and to find new ways to interpret Davis's music.

The Miles Davis Omnibook is a must-have for any Bb instrument player who wants to learn and play the music of one of the greatest jazz musicians of all time.
